Quick Summary

We've summarised the key points that we'd like you to be aware of when using Three Home Broadband. The full terms of this Agreement with us for use of Three Services are set out below - it's important that you read and understand them before you sign up to Three and start using Three Services. At the end of these Terms we've set out definitions of capitalised words used in these Terms. If there is any inconsistency between this summary, and the full terms set out below, the full terms will govern.

- A **What these terms cover:** The Service provides you with the ability to access the Internet from any of your devices using the Equipment that we provide to you. These terms cover how you may use our Services and the Equipment. Additional terms can also be found in the Home Broadband Price Guide as well as in other documents about our Services.
- B **Using Three Services:** By plugging in your Equipment you are expressly requesting that Three provide you with our Services on these terms.
- C **Fourteen Day Money Back Guarantee:** If you contact us within 14 days from the date you received your Equipment you may cancel this Agreement with us. You will need to send the Equipment back to us (undamaged and in its original packaging including any supplied SIM Cards, leads or accessories). If you do not return the Equipment within 14 days or if the Equipment is damaged then we will charge you for the replacement cost of the Equipment (see Section 8.4)
- D **Your Minimum Commitment:** You agree to stay with us for the Minimum Term. The minimum price for Three Services provided under this Agreement is the Monthly Charge for the Minimum Term.
- E **Annual Price Increase:** Each April, your Monthly Charge for your Home Broadband Plan will increase by £2.00 per month:

Monthly Price until March 2025	Monthly Price from April 2025 to March 2026	Monthly Price from April 2026 to March 2027
Price A	Price A plus £2 (= Price B)	Price B £2(= Price C)
We've set out an example below, showing how this would work, if your Monthly Charge is £30.		
£30.00	£30.00 + £2 = £32	£32 + £2 = £34

You can find out more about our price increases at three.co.uk/priceincrease

- F **Suspending or Ending this Agreement:** We may suspend or disconnect our Services if we reasonably believe that you haven't complied with certain terms of this Agreement, but you still must pay all outstanding Charges (including a Cancellation Fee for disconnection). See Section 6.15.

- G. **Our Network:** We'll try to provide you with a great quality Three Network at all times within our coverage area. However, due to the nature of mobile technology, there may be times when Three Services aren't continuously available, or the quality is affected. Problems can happen if we're carrying out maintenance work, if you're outside our coverage area, or if you're in a tunnel for example. Throughout 2023 and 2024, we will be making changes to and upgrading the Three Network. Following some of these changes, you will need a 4G or 5G handset capable of making voice calls on the 4G network, or a 4G or 5G router to access the Three Services. 3G-only devices (including routers), and early 4G handsets that can only make 3G voice calls, will no longer work on the Three Network, in areas where planned work is carried out. See Section 5 below.
- H. **Equipment:** Where we have provided a 5G Hub, the 5G Hub remains the property of Three, whether inside or outside the Minimum Term. When you stop taking our Services you must return the 5G Hub to us. If you do not return the 5G hub within 28 days of termination of the Services, we will charge you a non-return charge as set out in the Price Guide(see Section 9.7). 4G Hubs and eero devices belong to you and will only need to be returned if you cancel this Agreement during the Returns Period. If you cancel this Agreement during the Returns Period and fail to return the 4G Hub and/or eero devices, a non-return fee will be charged as set out in the Price Guide.
- I. **Your Information:** You agree that we can process your information which we collect and / or which you give to us during any sales or registration process, for a number of purposes, including, but not limited to, opening and managing an account for Three Services, to deliver products and services ordered by you, for credit checking and fraud prevention, and for product analysis and direct marketing (subject to your preferences). See Section 15 below.

5. What we'll provide to you.

- 5.1 We'll open an account for you and provide you with: (a) a SIM (in most cases this will already be in the Equipment); (b) if applicable two eero devices; and (c) either a 4G Hub or a 5G Hub.
- 5.2 We own each SIM and each SIM remains our property at all times. You're being allowed to use the SIM by us on a limited licence to allow you to access Three Services. We may recall the SIM at any time and you can only use the SIM to obtain Services from us.
- 5.3 Each SIM can only be used in Equipment which is authorised by us for Connection to the Three Network. If you try to use the SIM in another device, it may damage the device and affect your usage. In these instances, we're not responsible for any such damage or usage problems. Should you remove the SIM from your Equipment and use in a mobile device you will be charged in accordance with our Mobile Broadband Price Guide.
- 5.4 If we determine in our sole opinion that your use of the Three Services either exceeds that reasonably expected of someone using the Service or materially affects other users' enjoyment of the Service, or has an adverse impact on our network, then we will by written notice, give you a 14 day period in which to reduce your usage levels to those reasonably expected of a person using the Service. If usage activity has not decreased within the 14 day notification period we may at our discretion terminate, suspend or restrict your Three Service. We will try to tell you when we suspend or restrict your Three Service but we do not have to.
- 5.5 The software in the Equipment and all intellectual property rights in that software are owned by the Equipment manufacturer and you're being allowed to use the software on a limited licence from the manufacturer.
- 5.6 If you have selected eero we will provide you with: (a) two eero devices; and (b) a 24 month subscription to eero Secure which you must download: <https://eero.com/app>.

Three Services

- 5.7 Once you're Connected to Three we'll provide you with access to Three Services.
- 5.8 It is your responsibility to ensure that any Equipment is only used to access the Three Services as permitted in accordance with this Agreement.
- 5.9 You will be able to upload and send your own content using Three Services. You grant us an irrevocable, royalty free, perpetual and worldwide licence to store, transmit or otherwise deal with any content you upload on Three Services.
- 5.10 We:
- (a) may change or withdraw some, or part, of Three Services from time to time. This may be because of changing technologies, obsolescence, new or different product features, changing content providers or the need to remove, replace or change content. Depending on the changes that we make, you may have a right to end this Agreement, as explained in Sections 4 and 12.1.
 - (b) may also determine how Three Services are presented and delivered to the Equipment or are otherwise made available to you. We can change the way they are presented, delivered or otherwise made available to you at any time;
 - (c) may implement measures to manage the traffic across our network in exceptional circumstances to prevent impending network congestion and/or mitigation the effects of any exceptional or temporary network congestion. We may also implement traffic management measures in order to meet our legal obligations, preserve the integrity and security of our networks, services, or terminal equipment and to ensure an enjoyable internet experience for the vast majority of our customers. For details see [Three.co.uk/trafficsense](https://www.three.co.uk/trafficsense). We reserve the right to review and amend any such measures from time to time.

5.11 Coverage and Broadband speeds

- (a) Our advertised and estimated maximum upload and download speeds for our broadband internet services, provided as part of the Three Services, are set out in our estimated broadband speeds table, available at: www.three.co.uk/broadband-speeds
- (b) We do not guarantee that our broadband service will achieve any specific speeds. The speeds achieved by our broadband service will depend on factors such as your geographic location, the type of walls and windows in your building, the number of people using the network, the external environment, and the correct setup of your Equipment.
- (c) We may implement measures to manage the traffic across our network in exceptional circumstances to prevent impending network congestion and/or mitigation the effects of any exceptional or temporary network congestion. We may also implement traffic management measures in order to meet our legal obligations, preserve the integrity and security of our networks, services, or terminal equipment, or to provide you with any particular services you have requested. For more information on traffic management on our network, please visit: <https://www.three.co.uk/support/network-and-coverage/about-trafficsense>.

- (d) The variability of the download and upload speeds achieved, and the technology used to access the broadband services, may affect your experience of our services and your ability to access and distribute information and content, and use and provide applications and services.
- (e) In the event that you experience continuous or regularly recurring disruption to the broadband services you may be entitled to a price reduction based upon the period of the disruption, in accordance with Section 5.11.

5.12 Disruption to Three Services

- (a) Due to the nature of mobile technology, there may be situations when Three Services aren't always available, or the quality or network speeds are affected and so we cannot guarantee continuous fault-free service. For example: (a) when we need to perform upgrading, maintenance or other work on the Three Network or Three Services; (b) when you're in areas not covered by the Three Network. In this case, Three Services relies on other operators' networks, over which we have no control; and (c) because of factors outside our control, such as legal or regulatory requirements, lack of capacity, interruptions to Three Services from other suppliers, faults in other communication networks, the weather or radio interference caused by hills, tunnels or other physical obstructions.
- (b) For more information about coverage see: <https://www.three.co.uk/Discover/Network/Coverage>
You have the right to change your mind and return your Equipment within the first 14 days of receipt of the Equipment.
- (c) In the event that you experience continuous or regularly recurring disruption to Three Services (such as where your access to Three Services is limited or unavailable) or there is a significant discrepancy between the advertised speed provided in the broadband speeds table at www.three.co.uk/broadband-speeds and your normally available speed then you may be entitled to a price reduction based upon the period of the disruption or early termination of your contract. A price reduction may take the form of a partial or full credit of your Monthly Charge. To receive a credit of your charges or to terminate this Agreement you'll need to report a severe disruption.

Or speed reduction to us in order that we may investigate your concerns, consider the extent to which you use the Three Services in question and measure the disruption against your typical usage history. This is without prejudice to any remedies which may be available to you under consumer law (as explained more fully at Section 14.3) or general contract law, including damages or early termination of this Agreement (where the disruption to Three Services is very serious). Please contact us as set out in Section 7 (Your Rights - Complaints) and we'll work with you to find an appropriate resolution for your particular circumstances.

6. What you'll do in return – Personal Security

- 6.1 As we own the SIM and it remains our property at all times, you must ensure that you keep it safe and secure whilst it's in your possession and you must ensure that you're able to return it to us, if required. We may charge you for any replacement SIM (as set out in our Price Guide).
- 6.2 You must keep all PINs and passwords secure and confidential. You're also responsible for the security of your Equipment and must make sure that you keep it secure. You must also keep any PINs or passwords for any services you access through your Equipment secure and confidential.
- 6.3 You should immediately change your PIN or password if you become aware that someone is accessing Three Services on your account without your permission.

Responsible use – How you use the Three Services

- 6.4 You may only use Three Services:
 - (a) as set out in this Agreement; and
 - (b) for your own personal use. This means you must not resell or commercially exploit any of Three Services or our content.
 - (c) The Three Home Broadband Service is a domestic service and roaming will not apply. We are supplying you with indoor Equipment for use in your home at the address you have provided. Should you roam with your Equipment you will be charged in line with our current Mobile Broadband Price Guide (available at www.Three.co.uk/priceguide)
 - (d) You mustn't use Three Services or the SIM or allow anyone else to use Three Services or the SIM for illegal or improper uses. For example:
 - (i) for fraudulent, criminal or other illegal activity;
 - (ii) in any way which breaches another person's rights
 - (iii) including copyright or other intellectual property rights;
 - (iv) to copy, store, modify, publish or distribute Three Services or their content, except where we give you permission; to download, send or upload content of an excessive size, quantity or frequency. We'll contact you if your use is excessive;
 - (v) in any way which breaches any security or other safeguards or in any other way which harms or interferes with the Three Network, the networks or systems of others or Three Services;

- or to use or provide to others any directory or details about Three customers.
- 6.5 You must always co-operate with us and follow our reasonable instructions to ensure the proper use and security of your account. This includes (but is not limited to) any instructions from us to update the settings on your Equipment and any instructions regarding the use of Your plan, as set out in your Price Guide (available at Three.co.uk/priceguide).
- 6.6 If anyone makes, or threatens to make, any claim or issue legal proceedings against you relating to your use of Three Services, you will, notify us of this immediately and, at our request, immediately stop the act or acts complained of. If we ask you to, you must confirm the details of the claim(s) in writing.
- 6.7 We have published an acceptable use policy which provides more details about the rules for use:
- (a) to ensure that use of Three Services is not excessive,
 - (b) to combat fraud;
 - (c) to protect Three's employees from abuse or harassment; and
 - (d) where Three Services we offer or may introduce require certain rules to ensure they can be enjoyed by all our customers.

This policy is available on our website and may be changed from time to time.

Responsible use – Content Filter

- 6.8 Access to 18 rated content (such as 18 rated films and games) over the Three Network is only available to you if you can prove that you are over 18 by calling Three Customer Services or accessing the Three App and providing the requested evidence. Only you, the Account Owner, can adjust the content filter settings on Users' accounts and the Account Owner is responsible for ensuring that only Users over the age of 18 have access to 18 rated content.
- 6.9 You accept that we cannot control access to 18 rated content obtained over WiFi except when accessed through the Equipment as our content filter is only effective in respect of services accessed via the Three Network.

Responsible use – How you use the Three Services outside the UK

- 6.10 You may accidentally roam if you're in an area close to national borders because your Equipment picks up a network signal across the border. If this is the case then you may be charged as if you were roaming on an international network. We accept no responsibility for information processing when it leaves our control.

Paying your Bills

- 6.11 You must pay us all Charges in connection with all Three Services which are accessed using the SIM we supply you. You must pay the Monthly Charge, whether or not the Three Services are used by you or by another person, with or without your permission. If your SIM and/or Equipment is lost or stolen you remain responsible for all the Charges to your account until you tell us what happened and arrange for your SIM and/or Equipment to be deactivated.
- 6.12 We'll send you a bill on a periodic basis and this will usually be done monthly. However, we may change this period, and we would give you at least 14 days' notice of this.
- 6.13 Your bill will normally include your Monthly Charge for Your Plan for the next billing period and any administration fees and Additional Charges.
- 6.14 We will provide bills online. Charges on your bill are shown inclusive of VAT (where appropriate), unless you're a business customer, in which case, VAT will be added to your bill where appropriate.
- 6.15 You must make your payment by the due date and by one of the payment methods stated on your bill. Your bill will state the amount of the Charges due from you and the due date by which you must make payment. If you fail to pay your account on time, you will be breaking this Agreement and we may Suspend or Disconnect you. In this case, you will have to pay any outstanding Charges. We may set a credit limit on your account. If you exceed the credit limit we set, we may Suspend any or all of the Three Services you use until you've made a payment to your account. You shouldn't use the credit limit for budgeting as the amount you owe isn't capped or limited by any credit limit we set.
- 6.16 Three will notify you at least 30 days in advance of any change in your payment date.
- 6.17 We may need to take legal or other collection action against you for non-payment of Charges. This could mean you have to pay our reasonable costs and expenses, or the reasonable costs and expenses of our assignees, including legal and administration costs. Interest may be added on a daily basis to any unpaid Charges and costs, at 2% per annum above the base rate of HSBC Bank plc, from the date payment is due until it is received.
- 6.18 As a condition of signing up to Three Services, we require you to set up a direct debit to pay your Charges and you will benefit from a discount to your Monthly Charge if you pay by this efficient means. In order to maintain this discount, you must continue to have a valid direct debit or other Recurring Payment Method in place. If you don't have a Recurring Payment Method in place, and pay us by other means, you won't benefit from the discount. Please see the Price Guide for further details of the discount amount and Recurring Payment Methods we accept.

7. Your Rights - Complaints

- 7.1 If you're unhappy about any aspect of Three Services, you should contact Three Customer Services.
- 7.2 We'll investigate any complaint in accordance with our customer complaints code, after which we'll contact you with the results. - 7.3 See Section 15 for information about data protection and privacy complaints.

8. Equipment

- 8.1 We will provide you with the Equipment needed to use the Three Service, this includes all cables you need for the 4G Hub or the 5G Hub to work and a SIM card in order to access the Three Service.
- 8.2 If we provide you with a 5G Hub, this remains our property at all times. All SIM cards also remain our property at all times.
- 8.3 We and our suppliers retain title to and ownership of the software for Equipment we provide to you and all intellectual property rights in and on that Equipment. We may need to alter or replace Equipment from time to time. For us to do this, we need you to follow our reasonable instructions if we send you replacement Equipment, for example where we need to upgrade the Equipment for security or performance improvements. You are responsible for making sure that the Equipment is safe and used properly at all times. To do this, you agree to do the following: (a) follow the manufacturer's instructions and any other reasonable instructions we have given you; (b) keep the Equipment under your control (for example, you may not sell it, lend it or hire it out to anyone else, put it up as security for a loan or mortgage, or allow it to be seized under any legal process against you); (c) insure any of the Equipment against any loss, theft or damage for the full replacement value; (d) not tamper with, disassemble, misuse, neglect or damage the Equipment; (e) not remove, tamper with or cross out any words or labels on the equipment; and (f) take proper care at all times to try and prevent the loss or theft of Equipment.
- 8.4 You agree to tell us as soon as you can about any loss or damage to any part of our Equipment. You should do this by contacting our customer services team. You agree that you are responsible for any loss of or damage to the Equipment, regardless of how it happens, unless it is our fault. We will charge you for any loss of or damage to any Equipment or SIM that you are responsible for.
- 8.5 You will have received certain software in the Equipment at the point of activation of the Three Service, and other software programs we may deliver to the Equipment from time to time, which the Equipment will automatically accept. You may use this software solely in executable code form and solely in conjunction with the Equipment. You must not use any unauthorised software on the Equipment.

9. Returning Equipment

- 9.1 You must return any item of Equipment that:
- (a) You are returning because you have notified us that you wish to cancel the Service under the terms of the Returns Period (see Section 12); or

- 9.3 We will provide a returns bag so that the item can be returned at no cost to you.
- 9.4 We may test any Equipment reported as faulty by you. If it is found to be working, we may choose to either return or replace it (if We have not already replaced the item) and charge you our costs for testing and postage of the Equipment.

Use of Your Information.

15.12 Your Information may be used by us, our employees, service providers and disclosed to third parties for the purposes set out below. For each of these purposes, we have set out the legal basis on which we use Your Information.

(a) Credit Referencing, Identity Checks and Fraud Prevention

- (i) In order to process your application, we will perform credit and identity checks on you with one or more credit reference agencies (“CRAs”) such as Call Credit, Experian and Equifax. To do this, we will supply your personal information to CRAs and they will give us information about you. This will include information from your credit application and about your financial situation and financial history. CRAs will supply to us both public (including the electoral register) and shared credit, financial situation and financial history information and fraud prevention information. We will use this information to:
- Assess your creditworthiness and whether you can afford to take the product;
 - Verify the accuracy of the data you have provided to us;
 - Prevent criminal activity, fraud and money laundering;
 - Manage your account(s);
 - Trace and recover debts; and
 - Ensure any offers provided to you are appropriate to your circumstances.

We will continue to exchange information about you with CRAs while you have a relationship with us. We will also inform the CRAs about your settled accounts. If you borrow and do not repay in full and on time, CRAs will record the outstanding debt. This information may be supplied to other organisations by CRAs. When CRAs receive a search from us they will place a search footprint on your credit file that may be seen by other lenders.

If you are making a joint application, or tell us that you have a spouse or financial associate, we will link your records together, so you should make sure you discuss this with them, and share with them this information, before lodging the application. CRAs will also link your records together and these links will remain on your and their files until such time as you or your partner successfully files for a disassociation with the CRAs to break that link.

The identities of the CRAs, their role also as fraud prevention agencies, the data they hold, the ways in which they use and share personal information, data retention periods and your data protection rights with the CRAs are explained in more detail in the Credit Reference Agency Information Notice (“CRAIN”). CRAIN is also accessible from each of the three CRAs – clicking on any of these three links will also take you to the same CRAIN document:

Callcredit: www.callcredit.co.uk/crain;

- (ii) We'll also disclose details of this Agreement with us, the payments you make under it, account balances and information about any default, dispute, and debts to CRAs. We'll also disclose details of any change of address reported to us or which we become aware of.
