Unlimited

With Unlimited data as part of your plan there are no hidden caps or limits when using your device within the UK. Unlimited data should give you all the access to the internet you would normally need without worrying about hefty bills, so you can use our service to your heart's content.

Acceptable Use

The Three Home Broadband Service is a domestic service and roaming will not apply. We are supplying you with indoor Equipment for use in your home. Should you roam with your Equipment you will be charged in line with our current Mobile Broadband Price Guide (available at three.co.uk/priceguide). We reserve the right to apply a surcharge and/or suspend your account in line with our fair use policy and in case of abusive use.

Control your spend

On all our Home Broadband plans featured in this Price Guide you have the ability to control your spend if you're worried about incurring additional costs.

You can set up or change your spend cap with us at anytime – just log into your My3 account. Then under Allowance and Price Plan, select Control Your Spending.

Please note: If you put your SIM in a device that can also make and receive calls and texts, you will be charged for any calls made or texts in line with our current Mobile Broadband Price Guide (available at three.co.uk/priceguide). This is because these are always outside of your Unlimited Home Broadband plans.

Other charges

Early cancellation fee

We hope you don't want to leave us but if you do decide we're not right for you before your contract ends, we will charge you a fee for leaving us early.

The Cancellation fee will be calculated as a lump sum equivalent to the total of the Monthly Charges remaining during the Minimum Term of your agreement less a variable discount, currently 3%. We reserve the right to vary the amount of the percentage from time to time. See calculation example below.

Cancellation fee calculation example	
Monthly Charge	£25
Total of Monthly charges remaining during the Minimum Term	£25 x 6 months = £150
Less discount of 3%	£150 – £4.50 (3% of £150) = £145.50
Cancellation fee	£145.50

Returns & Exchange Policy

If you return your hub used or damaged under our returns policy, we will charge you a fee based on the particular make and model. We may also charge for used, damaged or missing accessories.

Full details of our Returns and Exchanges Policy can be found at:

three.co.uk/support/device_support/returns

5G Hub Device

If you decide to leave you must return your 5G Hub to us under our Terms & Conditions. If you don't return the hub a charge will be placed on your account. Full details of our Returns and Exchanges Policy can be found at:

three.co.uk/support/device_support/returns

Increases to your Monthly Charge

The Monthly Charge for your package is the minimum price you agree to pay us for Three Services provided to you under your agreement, for the Minimum Term. Each April, your Monthly Charge will increase by 4.5%. For example:

Monthly Charge until March 2021	Monthly Charge from April 2021 to March 2022	Monthly Charge from April 2022 to March 2023
Price A	Price A plus 4.5% = Price B	Price B plus 4.5% = Price C

We've set out an example below, showing how this would work if your Monthly Charge is £30

£30.00	£30.00 + £1.35 (4.5% of £30.00) = £31.35	£31.35 + £1.41 (4.5% of £31.35) = £32.76
--------	--	--

This annual price change applies if you joined or upgraded on or after 29 October 2020. If you joined or upgraded before 29 October 2020 your Monthly Charge will increase each May by an amount up to the January Retail Price Index rate (published each February). See our Terms for Three Services for more information: [Three.co.uk/terms](https://three.co.uk/terms)

Recurring Payment Discount

Our plans' prices include a £5 discount for paying by Direct Debit. Direct Debit is brilliant for you as payment will be taken automatically and your account will not be suspended if you forget to pay. You should maintain your Direct Debit whilst you stay as a pay monthly customer.

If you cancel your Direct Debit you are still required to pay your bills by the due date. You can pay by credit or debit card and you will retain your discount if you simply allow us to store your selected payment method so we can charge you on your billing date each month. If you do not permit us to store payment details you will lose the recurring payment discount.
